Re: Notice of Amendment to Notice of Accession to:
Convention on Road Traffic, with Annexes and Protocol
Done at Geneva September 19, 1949; entered into force
March 26, 1952. 3 UST 3008; TIAS 2487; 125 UNTS 22.

Your Excellency:

Notice of Amendment to Notice of Accession

Whereas, the Undersealed President, under Section 2.0 et seq. of the Constitution of the Dominion of Melchizedek sealed July 18, 1991, has full, Sovereign and vested power and authority to enter into treaties by signature, ratification, adherence and accession thereby binding the Dominion of Melchizedek and its Citizens;

Whereas, on 7 October 1997, the Dominion of Melchizedek provided Notice of Accession to the:

Convention on Road Traffic, with Annexes and Protocol
Done at Geneva September 19, 1949; entered into force
March 26, 1952. 3 UST 3008; TIAS 2487; 125 UNTS 22
(hereinafter the "Convention").

Whereas, in the 7 October, 1997 Notice of Accession to said Convention, the Dominion of Melchizedek inadvertently failed to provide the Secretary-General of the United Nations with the notice of the distinctive letters of the Dominion of Melchizedek signs to be

attached to vehicles pursuant to Paragraphs 1-4, inclusive of "Annex 4" of said Convention.

Whereas, the Dominion of Melchizedek desires to correct this oversight by this Amendment to the Notice of Accession, and hereby provides notice that the three "capital Latin characters" for the Dominion of Melchizedek are:

"DOM"

Correspondence concerning this Notice of Amendment to Notice of Accession may be directed to the Office of the President, Dominion of Melchizedek, at: Karitane Island, Mail routing: Embassy of Melchizedek, P.O. Box 99, Yarralumla, ACT 2600, Australia.

Yours Respectfully,
Office of the President
